DECISION ON JOINT STIPULATION¹

Dorsey, Chief Special Master:

On November 24, 2015, petitioner filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,² (the "Vaccine Act"). Petitioner alleged that he suffered a radial nerve injury which was caused-in-fact by the tetanus vaccination he received on April 10, 2015. Petition at 1, ¶ 16; see *also* Stipulation, filed Oct. 31, 2016, at ¶¶ 1, 2, 4. Petitioner further alleged that he has suffered the residual effects of his injury for more than six months and has never filed a civil action or received compensation for his injury, alleged as vaccine caused. Petition at ¶¶ 14-15; see *also* Stipulation at ¶¶ 4-5. "Respondent denies that petitioner's tetanus vaccine caused a radial nerve injury or any other injury." Stipulation at ¶ 6.

Nevertheless, on October 31, 2016, the parties filed the attached joint stipulation, stating that a decision should be entered awarding compensation. The undersigned

¹ Because this unpublished decision contains a reasoned explanation for the action in this case, the undersigned intends to post it on the United States Court of Federal Claims' website, in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). In accordance with Vaccine Rule 18(b), petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, the undersigned agrees that the identified material fits within this definition, the undersigned will redact such material from public access.

finds the stipulation reasonable and adopts it as the decision of the Court in awarding damages, on the terms set forth therein.

The parties stipulate that **petitioner shall receive a payment of \$144,953.39 as follows:**

a. a lump sum payment of **\$144,461.50** in the form of a check payable solely to petitioner, Ron Shackleford;

b. a lump sum payment of **\$491.89** in the form of a check payable jointly to petitioner, Ron Shackleford and Georgia Department of Community Health:

representing compensation for satisfaction of the State of Georgia Medicaid lien.³ Stipulation at ¶ 8. This amount represents compensation for all items of damages that would be available under § 15(a). *Id.*

Respondent.

No. 15-1424V
Chief Special Master Dorsey
ECF

The parties hereby stipulate to the following matters:

1. Petitioner, Ron Shackelford, filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 to 34 (the “Vaccine Program”). The petition seeks compensation for injuries allegedly related to petitioner’s receipt of the tetanus vaccine, which is contained in the Vaccine Injury Table (the “Table”), 42 C.F.R. § 100.3(a).

2. Petitioner received a tetanus immunization on April 10, 2015.

3. The vaccine was administered within the United States.

4. Petitioner alleges that he suffered a radial nerve injury as a result of the tetanus vaccine. Petitioner further alleges that he experienced residual effects of this condition for more than six months.

5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on his behalf as a result of his injuries.

6. Respondent denies that petitioner's tetanus vaccine caused a radial nerve injury or any other injury.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments:

- a. A lump sum of \$144,461.50, in the form of a check payable to petitioner. This amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a); and
- b. A lump sum of \$491.89, which amount represents full satisfaction of any right of subrogation, assignment, claim, lien, or cause of action the State of Georgia may have against any individual as a result of any Medicaid payments the State of Georgia has made to or on behalf of petitioner from the date of his eligibility for benefits through the date of judgment in this case as a result of his alleged vaccine-related injury suffered on or about April 10, 2015, under Title XIX of the Social Security Act, in the form of a check payable jointly to petitioner and

Petitioner agrees to endorse this payment to the State of Georgia.

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Petitioner and his attorney represent that compensation to be provided pursuant to this Stipulation is not for any items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), to the extent that payment has been made or can reasonably be expected to be made under any State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or by entities that provide health services on a pre-paid basis.

11. Payments made pursuant to paragraph 8 of this Stipulation and any amounts awarded pursuant to paragraph 9 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

12. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs, and past unreimbursed expenses, the money provided pursuant to this Stipulation will be used solely for the benefit of petitioner as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

13. In return for the payments described in paragraphs 8 and 9, petitioner, in his individual capacity, and on behalf of his heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting

from, or alleged to have resulted from, the tetanus vaccination administered on April 10, 2015, as alleged by petitioner in a petition for vaccine compensation filed on or about November 24, 2015, in the United States Court of Federal Claims as petition No. 15-1424V.

14. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

15. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

16. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages, and further, that a change in the nature of the injury or condition or in the items of compensation sought, is not grounds to modify or revise this agreement.

17. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that the tetanus vaccine caused petitioner to develop a radial nerve injury or any other injury.

18. All rights and obligations of petitioner hereunder shall apply equally to petitioner's heirs, executors, administrators, successors, and/or assigns.

END OF STIPULATION

Respectfully submitted,
